

David Pylyp's Team of Professionals

David Pylyp Sales Representative RE/MAX Realty Specialists Inc., Brokerage. Award Winning Realtor ® David Pylyp has been helping families buy and sell homes in West Toronto for 18 years. Use up to date strategies and sales techniques to advertise and promote your home for sale, for maximum exposure to get maximum value. David's candor and humour combined with a simple phrase of "There are no wrong answers" help ease the decisions you need to make.

Teodora Mancheva Unlicensed Assistant to David, is responsible for the maintenance of client data, transaction management to closing, liaison with Lawyers and management of marketing materials. Teddi's paralegal studies at Humber College bring a wealth of knowledge to Land Lord Tenant Tribunal Issues and she can appear before Tribunals.

Sandra MacLennan, Certified Redesign & Staging Specialist, uses her ability to picture a room at its full potential, arranging existing elements in new ways. With redesign, she wants her clients to have a beautiful, functional space to enjoy, to relax in, to entertain in. Sandra accentuates the positive features in each room of the home, helping potential buyers to envision themselves living there. Neither process is a huge expense but the rewards are great for all.

Lindsay Doke Royal Bank of Canada Trusted Mortgage Adviser, has been involved in the mortgage industry since 1985. Having also worked three years in the real estate appraisal industry as a fee appraiser. His ability to really "listen" to his client clearly makes him an excellent choice for first time buyers. They need someone to provide the nurturing and guidance as they make one of the biggest decisions in their lives on acquiring their first home.

Teresa Barcellona at Agents Marketing services has produced some wonderful full colour brochures and flyers, just sold announcements and Market Evaluation certificates. [Her] work with digital house photography, virtual tours and the resulting printed materials help to showcase your home.
